26 AUGUST 2025

SPONSORSHIP & EXHIBITION PROSPECTUS

The inaugural **Orana Youth Forum 2025** provides an opportunity for **young people** in the region to hear from business, industry leaders, universities and training providers about **jobs for the future**.

The forum aims to provide employment opportunities and address the unique challenges faced by young people in today's competitive job market.

The Orana Youth Forum brings together a vast range of education and career providers to inspire our community, and students in years 10, 11, and 12 with their decision-making.

The event will include seminars and workshops as well as an exhibition space to showcase the variety of options available.

Our exhibitors consist of a large cross-section of vocational providers, apprenticeship and traineeship providers, and strong industry representation along with tertiary/University institutions who will be there to answer all your questions.

An outside exhibition space will provide a hands-on opportunity for students to see how machinery and robotics work in the industry to engage and entice them into the field.

The 2025 Orana Youth Forum is a unique opportunity to showcase your business, connect with prospective students and gain valuable exposure in the region. Don't miss out on this chance to promote your business.
